===== AT =====

Galesburg, Ill., Wednesday, October 28, 1914

:: Introductory ::

HIS CATALOG is mailed to the recipient as a special invitation to attend our joint public sale of Short-Horn cattle, to be held at Galesburg, Illinois, on Wednesday, October 28th, 1914.

In selecting the cattle for this sale, it was our purpose to present an array of show and breeding stock that will be a credit to the breed, an offering that as to type, character, quality and breeding, cannot fail to please the most exacting and discriminating buyer.

To the beginner or those contemplating their first purchase (whether you buy or not) this is an event that you cannot afford to miss.

Individual mention will be made by the Fieldmen of the leading Farm Journals, who have made a careful study of the cattle; we have requested that they be conservative, rather than over-estimate the merits of the offering.

Again we extend a most cordial invitation, those interested in good cattle to be our guests at this time.

Respectfully yours,

C. J. McMaster
J. A. Kilgour

Fair Acres Sultan is one of the most strongly bred Scotch bulls ever used in the Middle West. From Ringleader the late John Ross bred more Smithfield and other famous fat stock show winners than were ever sired by any other bull of the breed. This strain is conspicuous for the thickness and even distribution of flesh, characteristics enjoyed in marked degree by the get of Fair Acres Sultan. In the Meadowlawn herd the family founded by the imported Ringleader cow gained great fame. Fair Acres Sultan was a distinguished winner himself, being senior and reserve grand champion at the Illinois State Fair, 1913, and has been extraordinarily successful in our herd as the 1914 winners of his get prove.

Avondale 245144, a roan of January 5, 1905; bred by E. S. Kelly, Yellow Springs, Ohio; got by imp. White Hall Sultan 163573, out of imp. Avalanche 2d. Has won more coveted ribbons and sired more purse winners than any other bull to our knowledge. Although he has met many defeats, he has won more each year since a calf than any of his opponents. His get have been very much in evidence in the show ring the past few years. He sired Selection, the International Grand Champion of 1909, and Dales Gift, International Junior Champion, 1909; also the Alaska-Yukon Pacific Exposition Junior Champion of 1909, and won the Get of a Sire prize at Chicago, 1909, and sired the undefeated Calf Herd of 1908. Bulls and heifers sired by him won far more than calves by any other sire at the 1908 and 1909 International Shows.

Pride of Day (79597) belongs to the Miss Ramsden family, which has produced some of the best cattle ever brought from Scotland. He is grandly bred, as he was got by Pride of Morning (64546), the Highland Society Champion of Aberdeen, 1894, first in his class, and winner of the Duke of York's medal for best Shorthorn in 1893, first Shorthorn Society prize of £20 at Royal Northern, out of Scotland's Belle by the great Scottish Archer (59893).

Fair Acres Gloster has had a very successful career as a senior yearling in the big show circuit this year. Beginning at St. Joseph he has been a constantly improving winner until at the Illinois State Fair he was placed first in class, junior champion and grand champion. He is a richly colored roan of typical Scotch conformation, unchallengeable Shorthorn character, remarkably level and straight in all his lines, more than usually thick in his flesh even for a champion, very compactly put together and yet possessing the most abundant scale and substance. His dam, Ontario Duchess 47864, is one of the truest formed, most attractive type cows in the herd and there can be no good reason why Fair Acres Gloster should not excel his sire as a getter of show stock. All the breeding cows and heifers in the herd are in calf to him, his firstlings being due to arrive within a few days of sale date.

The **Augusta** family in the hands of Mr. Bruce, is distinguished for the production of celebrated Smithfield champions and no family of the breed is perhaps entitled to such high rank along this line. This excellence has been so uniformly attained that it is no wonder that animals of this strain are so appreciated and sought for in every herd.

Missie's Diamond 221080 was one of the greatest show and breeding bulls of the breed. He was junior champion at the World's Fair at St. Louis and his get have been prominent winners at the leading shows. He was of the noted Missie family and was got by imp. Bapton Diamond, a bull that was used in the great Marr herd at Uppermill and sired many of the best animals of that noted herd and was also used with great success in the Cottage Hill herd.

This is a large growthy heifer and promises to develop into a wonderful brood cow.

Safe in calf to the service of Sittyton 389500.

Silver Dale 320003—White; calved Oct. 19, 1907. Bred by Carpenter & Ross, Mansfield, O.; got by the grand old Maxwalton sire and show bull, Avondale 245144, whose grand championship winnings are familiar to Shorthorn breeders throughout the continent, he by Mr. Kelley's famous Imp. White Hall Sultan, whose show records stand four square in the Shorthorn world. Silver Dale has for dam Imp. Rosewood 86th, a grand specimen of the renowned Bruce Rosewood tribe, by Mr. Duthie's Miss Ramsden prize winner, Pride of Day (79597). The sire's side of this pedigree shows a most formidable array of carefully selected Scotch sires, all of which were of show yard material.

Waterloo Pride 308774 belongs to the Waterloo Princess family, for many years prominent in the herd of Geo. Shepherd. Eleven of the dams in the pedigree of Waterloo Pride were bred by Mr. Shepherd. This bull was sired by Imp. Scottish Pride, dam Waterloo Princess 36th by Cyprus (66894).

Imp. Prime Favorite 229682 was the grand champion at the Canadian National Exhibition at Toronto in 1907.

Glenview Dale 7th is out of the same dam as Sittyton Lady 2d, that sold in the Sayer dispersion to H. L. Emmert of Canada for \$1,760. This calf should develop into a right good herd header.

Averaged \$380.
